Please read these terms of use carefully before you start to use the site. By using our site, you indicate that you accept these terms of use and that you agree to abide by them. If you do not agree to these terms of use, please refrain from using our site.

Accessing Our Site

Access to our site is permitted on a temporary basis, and we reserve the right to withdraw or amend the service we provide on our site without notice (see below). We will not be liable if for any reason our site is unavailable at any time or for any period.

From time to time, we may restrict access to some parts of our site, or our entire site, to users who have registered with us.

If you choose, or you are provided with, a user identification code, password or any other piece of information as part of our security procedures, you must treat such information as confidential, and you must not disclose it to any third party. We have the right to disable any user identification code or password, whether chosen by you or allocated by us, at any time, if in our opinion you have failed to comply with any of the provisions of these terms of use.

When using our site, you must comply with the provisions of our [acceptable use policy](#).

You are responsible for making all arrangements necessary for you to have access to our site. You are also responsible for ensuring that all persons who access our site through your internet connection are aware of these terms, and that they comply with them.

You must not modify the paper or digital copies of any materials you have printed off or downloaded in any way, and you must not use any illustrations, photographs, video or audio sequences or any graphics separately from any accompanying text.

Our status (and that of any identified contributors) as the authors of material on our site must always be acknowledged.

You must not use any part of the materials on our site for commercial purposes without obtaining a license to do so from us or our licensors.

If you print off, copy or download any part of our site in breach of these terms of use, your right to use our site will cease immediately and you must, at our option, return or destroy any copies of the materials you have made.

If you want to reproduce any of the content or materials published on this website for wider publication, in any format, you must first seek our permission in writing. Please [email our Marketing Manager](#) with details of your publishing requirement.

Distributors of Inmarsat Government services and solutions are invited to apply to join our Connect program (and thereby become Connect Partners), which they can do by completing our [online form](#).

Membership of Connect allows Connect Partners to enter into a Trade Mark License Agreement (“TMLA”) with us so that they can use our trade mark and logo. Use of our trade mark and logo taken from our site without a signed TMLA in place is prohibited.

All conditions, warranties and other terms which might otherwise be implied by statute, common law or the law of equity.

Any liability for any direct, indirect or consequential loss or damage incurred by any user in connection with our site or in connection with the use, inability to use, or results of the use of our site, any websites linked to it and any materials posted on it, including, without limitation any liability for:

- for any other loss or damage of any kind, however arising and whether caused by tort (including negligence), breach of contract or otherwise, even if foreseeable.

This does not affect our liability for death or personal injury arising from our negligence, nor our liability for fraudulent misrepresentation or misrepresentation as to a fundamental matter, nor any other liability which cannot be excluded or limited under applicable law.

However, distributors of Inmarsat services and solutions can apply via membership of our [Connect program](#) for the right to use our name and logo.

Please note that, in addition to owning the domain name www.inmarsatgov.com, we have registered many other forms of generic top-level domain names and country code top level domain names together with the Inmarsat Government second level domain name, and similar domain names likely to be confused with these names or associated with Inmarsat Government. We are continuing to register such domain names. We will take legal action against anyone who attempts to register any domain name using the word Inmarsat Government in it or any domain name likely to be confused with or associated with Inmarsat Government.
